Kappa Phi Omega

~Sisters And Friends Unto The End~

the finest since 1921

The sisters of Kappa Phi Omega take pride in being a diverse group of strong and supportive women. Our chapter is made up of individuals who have a variety of majors, talents, interests, and who come from different walks of life, but are bound by the deals of sisterhood. Our members are joined together by our core values of loyalty, scholarship, and being true to oneself. Being a sister of Kappa Phi Omega means you will never be alone, in times of trouble, or in times of joy. Being a part of this chapter means that we are all Sisters and Friends Unto the End.

The active chapter of Kappa Phi Omega is currently comprised of 35 diverse and amazing women. Our strong relationship with Alumnae, the history of our chapter, the connections with other Otterbein Greek chapters, and our love and appreciation for tradition are what make us unique. Members of Kappa Phi Omega are also Resident Assistants, Peer Mentors, Orientation Leaders, Cardinal Corps Leaders, Honors Students, Members of OCF, OtterThon, and many more. We are athletes, artists, musicians and dancers. We pride ourselves on our wide spread involvement on campus!

Kappa Phi Omega has a Scottish heritage, and because of this, we are most known for our Fling. The fling is a traditional highland flog, and in the 1950s we added the strums to separate between each fling. We fling at any and all official Greek Life events, such as Greek Week, recruitment events, Homecoming, and many more. We are very proud of our heritage and our fling!

Kappa Phi Omega's brother fraternity is Sigma Delta Phi, otherwise known as Sphinx, and we partake in events and socials with them. Kappa Phi Omega also recognizes Pi Beta Sigma as our "blood brothers" and we have events and socials with them as well.
